

Beaver Valley Contractors and Suppliers Association

Speaker Application Form

BVCSA is a non-profit organization for the purpose of educating, supporting and promoting building contractors and suppliers in the Beaver Valley area, and encouraging its members to conduct business with the highest level of honesty and integrity.

As part of our monthly meetings, we are always looking for speakers who can benefit our members. We are primarily interested in presentations that have an element of education for the membership. We also understand that our membership represents a potentially valuable group of business prospects for many of our speakers, and in return for their time and sponsorship, we encourage speakers to address how their products and services might advance the interests of our members. We do, however, ask that presentations not be solely in the form of a "sales pitch."

Presentations are limited to 20 minutes in length.
